

## GDIB Launch Events – Event Locations & Planning Teams

**\*\*\*In various stages of planning\*\*\***

This is a list of Expert Panelists and Users (and a few others just interested) organized by local launch area and region. The list includes those who have expressed interest in planning a launch event or who we have invited to help with local launch planning. We encourage you to be collaborative and inclusive when creating your planning team and local launch activities.

See Launch Event Guidelines and other information [here](#).
